

TENCO INC. AND FIRST RESOURCES CORP AGREE TO MERGE

We are pleased to announce that Tenco and First Resources have entered into a definitive merger agreement, effective July 1st, 2020.

This merger between Tenco, based in Ottumwa, and First Resources, based in Sigourney, further strengthens our position in South Eastern Iowa. Combining their teams and supports will allow them to greater serve their mission with the ability to offer a continuum of care to those in which they serve. This partnership is also expected to result in greater efficiencies of combined offices and significantly increase our ability to advocate at a state level.

In the coming months Tenco and First Resources will be working on rebranding efforts to celebrate this exciting partnership and dedication to the individuals we serve.

As with all important business decisions, we will work closely with our clients, partners, and employees to make the integration process as smooth as possible. The integration of both companies will take place over the next 7 months. Of course, in the meantime our clients will continue to receive the same high-quality services, in which they have come to expect.

Sincerely,
